Percentage Scored: 77.25%

SSLC:

Sethu Bhaskara Mat. Hr. Sec. School

June 2015 - May 2016

Percentage Scored: 94.2%

PROJECTS

Hotel Website (FrontEnd)- HTML, CSS, Javascript

- Utilized HTML and CSS to create a visually appealing and user-friendly layout.
- Implemented JavaScript to add interactivity to buttons, enabling customers to get an alert message while ordering and selecting the item. A customer review form has been created which accepts reviews from customers and their details.

*Currently studying in **Scaler Academy** and will be working on more projects shortly*
